

Leonard Skowronski Polish Studies Scholarship

REQUIREMENTS for the scholarships are as follows:

1. Applicant must be a citizen or permanent resident of the United States of America.
2. Evidence of completion of two years of college or university studies at an accredited institution -- most recent official university transcript (original to chairwoman, copies to other four committee members).
3. Resume. Include a section on POLISH STUDIES, listing all courses completed for university credit or certification.
4. A letter of recommendation from a faculty member who teaches Polish subjects.
5. A copy of an academic project on a Polish topic in English that was submitted as part of a course requirement. Include the name, position and current address of the evaluator and his/her evaluation of the project.
6. A description of your personal involvement in the mainstream community intended to promote Polish history and/or culture or an appreciation thereof.
7. A letter of recommendation from an individual with direct knowledge of your community activities as described in 6 above.

NOTE: Prior winners are ineligible.

All materials submitted by applicants will become part of the records of the American Council for Polish Culture and will not be returned.

APPLICATION PROCEDURES AND DEADLINES:

All materials mentioned above must be received on or before **March 4, 2024**. Originals of all materials must be mailed to the ACPC Polish Studies Scholarship Chairperson and duplicate copies to the other Committee members (faxes not accepted).
